

## CELEBRATORS

# Happy Mother's Day!

Did you know...Part I – “The purpose and intent of The Celebrators is to provide fellowship and comradeship for the senior residents living in Celebration. The organization is committed to furthering and fostering the philosophy of Celebration through education, lifelong learning, volunteer service and recreational activities.” We are all familiar with the club’s focus on education through our monthly speakers and our participation in the Foundation’s Lifelong Learning program. We also enjoy a wide variety of social activities that range from lunches to day trips to cruises. But what about volunteerism?

June 21-30, 2024, U.S. Army Training & Doctrine Command will host the Department of Defense Warrior Games bringing together hundreds of injured active duty and veteran military members to compete in adaptive sports as part of their recovery. This year marks the 14th anniversary of this competition that highlights the exceptional physical skills and mental toughness of our wounded service members. Each branch of the armed forces, including U.S. Special Operations Command, will be represented. AARP needs 3-4 volunteers on each of the 10 days to man their table at the "Sponsor Expo" event and is asking for our help. For more information on how you can assist, please email Yazmin Alfonso at [alfonso@aarp.org](mailto:alfonso@aarp.org). Your thoughtful consideration is appreciated.

The votes are in! – It’s time to start planning another cruise! During our April meeting, those that were in attendance were given a choice of 3 cruise options in January, 2025. All were 7 night adventures but with different cruise lines and destinations – Western Caribbean, Eastern Caribbean or Caribbean/ Bahamas. And the winner is...a voyage through the Eastern Caribbean on Celebrity’s Equinox departing on Saturday, the 25th from Port Canaveral. We are in the early planning stages, so more details will be forthcoming. Watch our Weekly Updates for additional information. You can also add your name to the list by responding to the email if you weren’t at the meeting and would like to sail with us!

Did you know...Part II – In my humble opinion, the month of May seems to have an inordinate number of “Days” celebrating all kinds of food and drink. For instance, this month’s calendar includes National observances lauding Apple Pie, Buttermilk Biscuits, Cheese Soufflé, Devil’s’ Food Cake, Empanadas, Fruit Cocktail, Grape Popsicles, Hoagies... the list goes on. Even Pickles have their own day in May! Pucker up! ●
