# Make it a September To Remember!

This month, I have good news (notice I didn't say "bad") and some not so good news to report. Let's start with the good news first...

**WHAT GOES AROUND, COMES AROUND.** - As we all know, the 851 Building (Town Hall) will be closed for an indefinite period of time. But fear not! The good news is that beginning this month and until further notice, our meetings will take place at Heritage Hall. Those of us who have been around for a while will remember that this was our original gathering place. More good news...you can also stick around afterwards and do a few laps in the pool to work off any calories you may have ingested during the meeting! (If you do plan to take a dip, we ask that you come to the meeting fully clothed so as not to distract from the speaker!)

**NOTHING STAYS THE SAME FOREVER.** - Now for the "not so good" news. Since our club's inception in 1997, the annual dues have remained constant at \$15.00 but with rising costs (facility rental fees, bus fees, event subsidies, etc.) the Board and your Executive Committee felt an adjustment would be in order. **Effective October 1, 2024, our annual dues will increase to \$20.00 for 2025.** Still the best deal in town!

**INTRODUCING SAM EWING** - If you read this column regularly, you know that I often include some random quotes just for fun. You also know that I have my favorites. Today I'm adding Sam Ewing (former player for the Chicago White Sox and the Toronto Blue Jays) to my list. Enjoy!

*"Inflation is when you pay fifteen dollars for the ten-dollar haircut you used to get for five dollars when you had hair."*

*"Ever notice that nothing changes the color of paint like putting it on a wall?"*

*"A neighbor will stand at your door talking for 20 minutes because she doesn't have time to come in."*

*"The brain is like a TV set; when it goes blank, it's a good idea to turn off the sound."*

*"The trouble with giving advice is that others want to return the favor."*

*"Nothing is as frustrating as arguing with someone who knows what he's talking about."*

*"Nobody's too fat - they're just too short." •*
